

LB CREW SPIRITWEAR

SPIRITWEAR ORDERS: Attached is the spiritwear order form*. Once you've made your selections, please write your name clearly on the form, place in an envelope marked SPIRITWEAR, and have your rower return the form along with your payment (cash, or check made payable to **CCI Screen Printing**) to the Crew Box in the LB Student Activities Office. If you prefer, you can mail your order to my home address, provided below. All orders are due by 23 November.

All items that we offer are *optional* for both rowers and families. Rowers will find the items useful for winter conditioning and for the start of the rowing season, along with letting the community know you are a member of the LB Bruin Crew Team! Besides, it's just fun to wear! ☺ Remember, they are **not** a required part of the uniforms! See the Uniform & Practice Apparel tab for uniform items.

If you are interesting in ordering Rugbys or the purple Tie-Dyed hoodies, please send me and email at spiritwear@bruincrew.com. For the rugbys, I need to know color (black/purple stripe, or white/purple stripe) and how many you would like. Both orders require a minimum number of pieces, so I need to get a general count ahead of taking money and placing the order. If you signed up on the sheet at 11/9 registration, I already have your info.

Any questions or concerns, please feel free to contact Kim Turmel at spiritwear@bruincrew.com or call 703-455-2270. My mailing address is 9056 Northedge Drive, Springfield, VA 22153.

*Examples of artwork/logos for clothing will be posted as soon as available.
